

Canada-Alberta Job Grant Program

The Canada-Alberta Job Grant is providing 2/3 of training costs for eligible employees/trainees, and up to 100% of training costs for previously unemployed trainees.

Take advantage of this great opportunity to provide additional training for your front-end staff with our course-by-course options or bring in a new member with the latest Dental Administration training from Evolve Dental Academy.

Evolve Dental Academy is a qualifying Alberta-based training institute with accreditation from Alberta Advanced Education and can provide guidance in completing the application process. Our online training platform allows trainees to take courses when it's convenient for them, and from the comfort of home.

The current CAJG has been extended to February 28, 2022, so time to apply and collect the grant money is running out.

Eligible trainees include:

- Canadian citizens
- permanent residents
- protected people under the Immigration and Refugee Protection Act (Canada) who are entitled to work in Canada
- business owners (incorporated, unincorporated, sole-proprietor, partnerships) with 4 or fewer employees, including all owners, are now eligible trainees
- employed family members
- All eligible trainees must live in Alberta.
